>CORPORATE DAY CHARTER

A typical day has the 8 guests per 40.7 arriving in either Portsmouth, the Hamble, Southampton or Lymington and being offered refreshments. This is followed by the introduction to their skipper and optional mate with the plans for the day being explained then the safety briefing. Wet weather gear is available for all guests and provision may be made for caps or sailing gloves.

The morning is spent learning to sail in each position on board followed by lunch in a pub, yacht club or restaurant on the Isle of Wight prior to the eagerly anticipated afternoon of three short races on the way home and possible prize giving. A great way to reward staff, customers and suppliers. There may be variations to suit such as lunch onboard or orienteering exercises.

>STAG, HEN, SPECIAL EVENTS

These are popular single boat days with plenty of banter and participation. Often from Cowes with perhaps anchoring for lunch onboard and a swim. Either up to 14 on Anticipation with skipper or spread over 2+ boats for spirited rivalry and mini races.
