40.7 NATIONAL CHAMPION 2007

Cowes Week Racing

Cowes Week is one of the best regattas in the world. Join the national champion Anticipation team and you will have some great racing in a superb environment.

And the social scene ashore is unrivalled.

You may join us any Tuesday evening May to July on our Cowes based practise races in the Solent. And we may have a training session Friday early evening prior to the start of Cowes Week should there be the demand.

Our local knowledge extends from our **private marina berth** at Shepards Wharf in West Cowes through our strong support relationships with local marine suppliers to our **seaside bungalow with crew rooms**. So you may sleep comfortably ashore, enjoy barbeques, use drying facilities and enjoy wireless internet.

For 2009 Charities go free! So coupled with our inhouse vinyl sign maker we may display the **charity of your choice** on our hull at no extra cost. By default we will also be putting a percentage of crew fees towards the RNLI who we are a longtime supporter of.

So why a 40.7 and why Anticipation?

Simply put, the 40.7 fleet provides some of the best class racing available with up to 50 boats competing. Anticipation has consistently performed well in 40.7 and open event IRC racing and has regularly been in the top 3 at prestige events such as Round The Island, Cowes Week, Cork Week and Little Britain.

There will be many charter businesses offering you a ride for Cowes Week. But few if any will feature a multiple world champion and olympian as your professional skipper. Also many skippers do not own their own boat or provide a full range of race sail options.

So Anticipation is presented with race winning sail combinations and tuning notes, clean hull, proven race winning skipper and a combination of racing intensity and clear explanations of 'why' combined with a relaxed and enjoyable approach to the racing and socialising.

Anticipation is also rated to provide a choice of utilising bowsprit with asymmetric spinnakers and code zero, staysails and jib top in addition to the conventional fractional and masthead spinnakers. So we can have plenty of fun afloat as well as ashore!

The Anticipation Package

Cowes Week inclusive cost: £995

Comprises: Race Entry 7 Days

Your Active Participation

in Cowes Week Racing

With Winning Sailors*
